

WEATHER POLICY

Red Hot Summer shows will proceed Rain, Hail or Shine. Patrons should presume a show is proceeding unless advised otherwise by The Red Hot Summer Tour or your Ticketing Provider.

Should wet or unfavourable weather be forecast please ensure you come prepared. Remember that Umbrellas are not permitted into any show as they are deemed a safety risk.

A Red Hot Summer will only be cancelled or postponed if the site becomes unsafe for occupation, or if there is imminent danger to patrons and staff. This risk analysis is carried out by Emergency Services, Event and Venue Management, Site Safety Officers and Security.

In the very unlikely event of an event cancellation / postponement, the ticket purchaser will be notified by SMS Text Message and Email. Updates will also be posted on the Red Hot Summer Tour Official Facebook page.
